An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with David Fox on 4/5/04.

The application has been amended as follows:

Cancel claim 13

The following is an examiner's statement of reasons for allowance: Prior art neither teach nor suggest positioning first microchip including modulator and polymer electro-optical waveguide, with ground and signal electrodes, on a first flexible dielectric substrate; applying a first patterned metallization layer to the first flexible substrate thereby coupling the ground electrode and modulator, positioning a second flexible dielectric substrate along the first flexible dielectric substrate and providing via openings in both first and second dielectric substrates and applying second patterned metallization layer to the second flexible substrate thereby coupling the signal electrode and modulator.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably

accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Savitri Mulpuri whose telephone number is 571-272-1677. The examiner can normally be reached on Monday to Friday 8:00 to 4:30.
